OUR IRIS ORIGINATIONS

We are iris hybridizers. We buy the finest iris from all over the country to work with and we think our seedlings are unsurpassed. Many want to know why we don't introduce them. However, there are so many lovely varieties we couldn't introduce them all. Many that bought them last year are reordering from two hundred to five hundred this year. These rhizomes are top size and every one different. Rush your order as they are selling fast.

25 for \$3.50 50 for \$6.00 100 for \$10.00

PLEASE READ

Since prices are **WHOLESALE**, any extras that we send are of our own choosing. However, we like to send Iris of our own hybridizing as extras. Since we have been doing that for the last two or three years, we don't want to duplicate.

Please cross out the ones you have. Then we will choose the ones we send from the remaining varieties.
